Suites A @ B (ground and first floor) of Monmouth Market Hall are former government offices, located behind the former Nelson Museum (now closed). The offices were built in the mid 1960s following a fire which destroyed the interior of the Market Hall. The building is grade 2 listed, but this relates to the external façade.

The two floors are connected by stairs at each end, both of which lead to fire exits.

The floors are served by a suite of toilet facilities (ladies, gents and disabled) on the ground floor.

Entrance to the premises is via a double door from Priory Street into a foyer. The fire escape at the rear of the building leads into a small, private carpark. The building and carpark are owned by Monmouthshire County Council.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

All staff shall receive suitable training in relation to challenge 25 proof of age policy which shall be applied to the premises.

All staff will receive training in fire safety procedures. In line with a Fire Strategy Plan.

b) The prevention of crime and disorder

The areas covered by the cameras will cover all areas within the premises that are open to the public.

Cameras will be positioned to obtain images of persons entering or leaving the building by the front and rear entrances.

No persons other than the Police, the licensing authority, the DPS, the manager or authorised person shall have access to the CCTV recording equipment or the recordings made from such equipment. The CCTV system will be in operation and recording whenever the premises are open to the public.

Drink Aware 'Challenge 25' and 'Too drunk' posters will be displayed in prominent positions by the entrance and by the bar.

A zero tolerance policy on drug use will be followed and posters displayed.

c) Public safety

Notices relating to public health and safety will be prominently displayed at the premises.

The management will also ensure the premises will be operated in line with Health & Safety Act and in line with guidance from the County Council environmental health team.

The premises will be operated in line with a Fire Strategy agreed with the relevant fire officer.

Suitable first aid equipment will be available and easily accessible at all times and staff made aware of its location.

SIA licensed door staff will be employed for events which the DPS considers warrant additional security to ensure the safety of the public and staff.

d) The prevention of public nuisance

The premises will operate in line with a Noise Management Plan agreed with the environmental health office at Monmouthshire County Council. Events with live amplified music will not take place until this plan is in place.

'Please leave quietly' notices will be displayed at exits.

Right to work/Immigration status

A licence may not be held by an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways:

1) by providing with this application copies or scanned copies of the documents which an applicant may provide to demonstrate their entitlement to work in the UK (which do not need to be certified) that are published on GOV.UK and in guidance issued under section 182 of the Licensing Act 2003.

2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a cop of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
