M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The designated premises supervisor will take overall responsibility for authorising the sale of alcohol. He will authorise the only other member of staff (his wife) to sell alcohol.

b) The prevention of crime and disorder

As the shop owners, we will identify and refuse service to visibly intoxicated customers. This is in anyway possibly unlikely, as our opening hours are 10am-4.30pm and we are a small delicatessen selling a small range of unique and high-quality alcohol. We have clear signage in our shop for restrictions on alcohol sales. No alcohol will be consumed on the premises, except for the rare occasions where we may offer very small samples of the alcohol we sell.

c) Public safety

We will store our alcohol securely in our store room out of the reach of children. We have one clear entrance and exit for customers, to ensure safe access and ensure that alcohol cannot be taken without it being sold. It will be stored at the back of the shop away from the front door. It will be visible to us as shop owners at all times. The designated premises supervisor shall maintain an incidents and refusals log book, recording the details of any incidents, including time and date.

d) The prevention of public nuisance

We are a small delicatessen, open only from 10am-4.30pm. We will not allow alcohol to be consumed outside our premises.

e) The protection of children from harm

No alcohol will be sold to anyone under the age of 18. We will operate a "Challenge 25" scheme where accepted form of photographic ID shall be requested before alcohol is sold to any person looking under the age of 25. ID will be only be accepted with a photograph, date of birth and integral holographic mark. We already have a "Challenge 25" sign clearly visible in our shop. Within the shop itself, alcohol will only be displayed on the high shelves, out of the reach of children. It will be visible to us as shop owners at all times. We are trained in the prevention of underage sales, with the designated premises supervisor taking overall responsibility.

Right to work/Immigration status

A licence may not be held by an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways:

1) by providing with this application copies or scanned copies of the documents which an applicant may provide to demonstrate their entitlement to work in the UK (which do not need to be certified) that are published on GOV.UK and in guidance issued under section 182 of the Licensing Act 2003.

2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a cop of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
